## INTRODUCTION

Partnerships through engineering requires a multi-disciplined and collaborative approach at FXB. We are dedicated to building client relationships through partnerships where mutual respect for trust and integrity lead to long-term engagements over multiple projects. My dedication to FXB, and our Partners, will help to lead the way for growth and expansion within our industry.

## EXPERIENCE

### Mechanical Engineer, E.I.T. | FXB Engineering

*May 2014 to present*

Responsible for the engineering and design of mechanical systems on a wide variety of projects. Perform constructability reviews and coordination with other engineering disciplines in a team setting.

### Intern | Highland Associates Architecture and Engineering

*2011-2013*

Responsible for revising and creating drawings. Designing ventilation and piping systems, while shadowing professional engineers.
